## Checking counters - C224-C554 including e models

The counter indicates the total number of pages printed on this machine on a function or colour basis.
Check counter information on the Control Panel of this machine. When necessary, counter information can be printed in list form.

1. Tap [Counter]. On the Home Screen

2. Check the total number of pages printed after the count starting date. - To print the counter list, tap [Print List], select paper, and then press the Start key.
